

Avery Berkel

FX 210/220

uncompromising quality for the independent retailer

Strong, lightweight & portable with mains or battery power

weight only & price-computing scales

The **FX 210** is a free-standing scale for general weighing applications.

The **FX 220** is a price-computing scale that is designed to offer all the functions your business needs.

Key features & Benefits

- ◆ **Stylish, compact and tough**
The **FX scales** are attractively designed and are tough enough to withstand everyday professional use. They offer the perfect combination of a compact footprint and a spacious weighplate manufactured in high quality stainless steel. Additional fittings are available.
- ◆ **Instore or outdoors – You’ve got the power**
The **FX range** gives you the power to use your scale in most situations, by offering a choice of mains or battery power.

Take advantage of the battery option, and the scales are instantly portable, offering up to 800 hours* of continuous operation without the need to recharge or replace the batteries. Further battery options are also available.

* Subject to the quality of the batteries used and product specification.

- ◆ **Choice of display**
The **FX range** offers a wide choice of display options. The customer tower display makes highly effective use of counter space and features a very visible LCD display, to ensure that weight information remains prominent. Back lit display options are also available.

The tower display on the **FX220** displays both price and weight. A range of other functions, including seven-digit unit price, eight-digit total price, price per kg/per 100 g are also available with this model.

- ◆ **Capacity options**
Whatever you want to weigh, from delicate items to product in bulk, the **FX scales** deliver the capacity and resolution you need. From 3 kg up to 30 kg, in a choice of resolutions to meet your requirements.

- ◆ **PLU options**
The **FX 220** can offer 20 pin-protected PLU's as standard – including up to 10 'hot shot' keys for favourites. These may be used with a 'quick-set' feature for fast selling items.

- ◆ **Two year, extended warranty**
- ◆ **Worldwide service coverage**
- ◆ **International approvals**
- ◆ **Range of accessories and kits**
